Business Partnership Specialist

Cocktail Reception
IMPACT Exhibition & Convention Centre, Bangkok
7 October 2009
Partners

Energy Conservation Center of Thailand (ECCT)

World Alliance for Decentralised Energy (WADE)

Full Advantage Co., Ltd. (FA)

Associate Partner

Funded by:
European Union
Project Objectives

The overall objectives of the action are two-prong, namely:

• To help facilitate trade and investment flows between EU and Thailand in the field of energy and environment through cooperation among trade associations

• To enhance capacities among key target groups within the government agencies and authorities in order for them to formulate and implement policies and regulations that will encourage investments in decentralised energy (DE) systems.
## Project Components

### Main Activities

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>

</tr>
</tbody>
</table>
Issues related to establishment of the Thai-based Organization (WADE Thailand)

• What is the distinction from existing organisations?
• Will this organisation address the existing gaps and concerns? Such as:
  – Financing
  – Permitting issues
  – Regulations
• How will this organisation transfer the experiences & lessons from other countries?
Value Propositions

• WADE Thailand will be an Alliance of existing associations in Thailand & globally
• WADE Thailand will be a platform for companies to go ASEAN
• WADE Thailand will focus on
  – Financing
  – Technology transfer
  – Climate Change aspects
• Access to:
  – Market Intelligence
  – Reports, studies, seminars
  – Global network, members’ experiences
Organisation’s Activities

- Policy and Regulatory updates
- Advocacy
- Market Intelligence
- Business Opportunities for, among and in collaboration with members
- Provision of services to members
